

THE SHIMPO HANDHELD EXTRUDER ...

is the most complete, easy-to-use hand extruder on the market. It's perfect for ribbon handles, sculptural parts, and small shape runs for a thousand other uses. This extruder comes fully assembled, ready to use, and equipped with 14 solid die shapes. All parts are fully replaceable in case of damage or defect. It's easy to clean, too: all you need is warm water! You'll find many uses for this exceptionally rugged small extruder in your studio or classroom. Full instructions, parts list and adjustment tool are included with the extruder.
